

Fund 307

Sidewalk Construction

Focus

This fund supports the Fairfax County Sidewalk Program, which was originally established in coordination with the Fairfax County Public Schools, to ensure safe walking conditions for public school students in the County. In recent years, the scope of this program has been expanded to include providing critical walkway and trail segments in coordination with the Non-Motorized Transportation Committee to serve the recreation and transportation needs of pedestrians, bicyclists and equestrians in the County. This program generally includes projects that link residential areas and public schools, as well as missing walkway and trail segments to provide connections to completed portions of the Countywide trail network. In previous years, this fund has received funding support through a variety of sources: General Fund transfers, transfers from other funds, grants, developer contributions and state aid.

In FY 2006, an amount of \$300,000 is included in Fund 307, Sidewalk Construction, for the Virginia Department of Transportation (VDOT) participation project for approximately 2 miles of sidewalk repairs and replacement. This program allows the County to minimize construction costs by permitting VDOT to conduct repair and replacement of multiple sidewalks within one construction contract. The County is then responsible for reimbursing VDOT at the completion of the project. This project is supported by state aid and is included in the Summary of Capital Projects.

Changes to FY 2005 Adopted Budget Plan

The following funding adjustments reflect all approved changes in the FY 2005 Revised Budget Plan since passage of the FY 2005 Adopted Budget Plan. Included are all adjustments made as part of the FY 2004 Carryover Review and all other approved changes through December 31, 2004:

- ◆ At the FY 2004 Carryover Review, the Board of Supervisors approved an increase of \$7,233,616 due to the carryover of unexpended project balances in the amount of \$6,389,008 and the appropriation of \$844,608 in revenues associated with Virginia Department of Transportation (VDOT) and developer contributions.

A Fund Statement, a Summary of Capital Projects, and a Project Detail Table for the project funded in FY 2006 are provided on the following pages. The Summary of Capital Projects may include some projects without a Total Project Estimate amount. These projects are considered "continuing" projects or projects for which funding is necessary on an ongoing basis (e.g., a contingency or planning project). The Project Detail Table includes project location, description, source of funding and completion schedules.
